The bus number will identify bus routes affected by inclement weather. When Special Educational routes are on snow routes the driver or office will notify the parent or guardian.

If a bus is on snow route in the AM or cancelled in a particular area it will be the same for the PM route unless the website shows it has been changed. Check for information at: <http://www.washougal.k12.wa.us>, click on emergency info in the upper right hand corner.
