Columbia Credit Union
Salutes Washougal Teachers 2014!

Mrs. Thompson – 1st Grade, Hathaway Elementary School
“She really liked math so she made it fun for us. I remember singing the ABCs and that was fun. She also had us do a lot of art projects.”
—Alison - Class of 2020

Mrs. Klemmer – 5th Grade, Gause Elementary School
“She always helped when you needed it. She was so funny. If you were feeling down she would always bring you up.”
—Emma - Class of 2020

Mrs. Daniels – Physical Education, Cape Horn-Skye Elementary
“She makes PE fun and makes sure everyone feels comfortable and not singled out. She helps you to do your best.”
—Scott - Class of 2020

Mrs. Kearney – 6th Grade Language Arts, Canyon Creek Middle School
“She is a really good teacher. She makes things easy to understand and makes things fun. And she is a great advisor for student leadership!”
—Jalen - Class of 2018

Mr. Stanton – Science, Washougal High School
“Mr. Stanton made chemistry real. Each day was a new discovery. He had a special way of making each experiment interesting and fun.”
—Tom - Class of 2009

Mr. Cox – Science, Jemtegaard Middle School
“He really makes science fun and makes people laugh. I like his way of teaching. It is easy to understand. He does not make everything complex. What he wants is for you to get the main idea.”
—Audrey - Class of 2019
