Tuesday, April 26, 2011, 6:30 p.m.

PRESENT: Blaine Peterson, Board Director; Terrie Hutchins, Board Director; Jim Gadberry, Board Director; Elaine Pfeifer, Board Director; Ron Dinius, Board Director; Teresa Baldwin, Superintendent and Secretary to the Board.

1. CALL TO ORDER – PLEDGE OF ALLEGIANCE
Blaine Peterson called the meeting to order at 6:30 p.m. and led the pledge of allegiance.

2. AGENDA REVISIONS
Teresa Baldwin asked for two agenda revisions: the addition of an executive session for the board to discuss the performance of an employee, per RCW 42.30.110 (A)(7); and the removal of the Excelsior High School (EHS) School Improvement Plan (SIP) presentation (agenda item 6.B.), which will instead be presented at the next regular board meeting on May 10, 2011. Blaine Peterson asked to have Dawn Tarzian’s contract approval removed from the consent agenda, and instead added as a proposal for action, as agenda item 7.B.

3. COMMENTS – BOARD OF DIRECTORS AND ADMINISTRATORS
In honor of Teacher Appreciation Week, May 2-6, 2011, Teresa Baldwin expressed her appreciation on behalf of the district for all that the Washougal teachers do. Always, but particularly in these difficult times, district teachers play an incredibly important role in meeting the needs of our local students. Teresa thanked Washougal teachers “from the bottom of her heart” for all that they do for Washougal students. She recognized the Washougal Association of Educators (WAE) officers, who accepted on behalf of all district teachers. Sheila Good, Susan Lewallan and Kay Ball were present to accept. The board thanked the officers with a reception line. Sheila Good spoke to the board and audience about representing the best teachers anywhere, noting that they are a wonderful group of educators.

A. Legislative Watch
Ron Dinius gave a brief update on recent legislative activities related to educational funding. State schools are still awaiting definite budget information, and many bills related to education have yet to be approved.

Other Comments
Teresa Baldwin shared pictures from the Saturday, April 23, 2011 Rotary Club day of service event. The local Rotary group worked to landscape an area at Hathaway Elementary School around a memorial bench that was previously donated by the school’s booster club. Teresa thanked the Rotary Club for the beautiful plants, bark dust and great work done. Hathaway staff member Amanda Klackner commented that the area looks very nice. Teresa also shared with the board the annual Teacher Appreciation poster sponsored by Columbia Credit Union, which will be posted around the city and in district buildings. The Twilight Track Meet is scheduled for this Friday evening, and Teresa hopes for good weather for the event. A celebration dinner for recently retired board members Tom Huffman and Orlan Gessford will likely be held on May 26. Teresa will confirm the date and publicize the event shortly. Blaine Peterson announced that the Washougal Schools Foundation (WSF) Stride fundraiser will be held on May 21, and is always a great family event. Terrie Hutchins thanked Teresa for helping her with a letter received from a patron, who was very excited to receive information about the Kahn Academy. Jim Gadberry is continuing his school visits, touring Jemtegaard Middle School last week and Gause Elementary tomorrow. Blaine spoke about last week’s Post-Record cover article featuring incoming superintendent, Dawn Tarzian. Washington State University-Vancouver professional certification presentations will take place on
May 4 at 5:00. The Panther Foundation banquet and auction will be held on May 14. Ron Dinius is mentoring a Washougal High School (WHS) student in conjunction with her senior project. She is building a cob structure and doing an amazing job. Blaine closed noting that the dress code and dance appropriateness were handled very well at last weekend’s Prom.

Blaine welcomed Dawn Tarzian to the meeting.

4. COMMENTS – CITIZENS
Sheila Good, WAE president, welcomed Dawn Tarzian, as well as the two new board members. She spoke specifically to the upcoming agenda item dealing with the reduction in force (RIF) resolution. Since there is no budget from the state, Sheila and her WAE team do not feel that there is any need for the RIF resolution at this time, especially since the district is so financially healthy in terms of its ending fund balance. Sheila commented that the fund balance, as tax dollars, should be spent when the need arises, since children are impacted when there are cuts. She hopes that there is no need for the board to consider the RIF resolution. She also forwarded two questions she has received from teachers: When will the calendar for 2011-12 be approved? Has the board and district considered the proposed extension of the WAE contract. Blaine Peterson spoke to the necessity of the RIF resolution. The district, by law, must notify teachers if they will not have an offer of employment for the following year by May 15. The resolution must be passed in order for the district to have the capacity for a reduction in force, should it be needed. The board and administration are also greatly hoping not to need this capacity. Sheila commented that the morale of the staff goes down fast when the RIF announcement is made. Susan Lewallan added that the board’s words have a great impact on the district staff, asking the board to keep that impact in mind as they make decisions. Teresa Baldwin clarified that the 2011-12 calendar is on the agenda for approval later this meeting, and that the district has not been able to consider the extension of the WAE contract yet, and is waiting for definite state funding information before being able to do so. Gail Anderson asked the board and audience to support both the Panther Foundation event (which benefits the football and both boys’ and girls’ basketball programs) and the Stride. Contact Mike Adams if interested in making a donation to the Panther Foundation. Gail also announced that “the flamingos are flying again tonight” referring to the “flocking” of residents’ yards as a graduation night fundraiser. Rhea Bohlin commented that she came tonight to support WHS in its SIP presentation. She applauds the WHS administrators and notes that the high school is a fabulous place to work. Rhea also spoke about a WHS graduate who has gone on to accomplish great things in his music career. The student’s mother told Rhea that Washougal schools gave him the best education that he could have received anywhere, and that district staff constantly provided encouragement and support for the student’s passion for music. Washougal students are doing great things and contributing to their communities.

He shared the strategies being implemented to work toward each of the goals. Michael Piekarski, the district’s food services director, and Russ Kallwick, Sodexo Area Manager, presented a recap of the expectation meeting held in February. Michael provided information regarding the Healthy, Hunger-Free Kids Act of 2010 and how it relates to school food services. An overview of proposed contract amendments for the upcoming annual renewal was given. Meal price comparisons with neighboring districts were shared. A 2011-12 pro-forma summary was provided for two scenarios: no change in meal price; and for a 10-cent per meal increase. Sodexo recommends a 10-cent per meal price increase for the upcoming school year. Michael shared with the board a summary of the special functions and community service projects provided by Sodexo this year, including the family enrichment night at Cape Horn-Skye Elementary, the fine dining lessons and luncheon, fall and spring barbecues, a high school culinary competition, the Kitchen Wars! staff culinary competition, and the annual donation to the WSF Stride event. 7. PROPOSALS FOR ACTION

A. Resolution 2010-11-12: Reduction in Force
Teresa Baldwin thanked Sheila Good and Susan Lewallan for clarifying the concerns of the teachers and the union. She explained that RIF (reduction in force) action is bound by two requirements: 1) a resolution must be approved by the Board, and 2) the resolution must declare a maximum number of FTE for the reduction. The Board’s approval of the resolution must occur prior to May 15, the statutory deadline for notifying certificated employees that his/her position is subject to a reduction in force, eliminating his/her employment with the district in the forthcoming school year. Teresa stressed that the number declared in the RIF resolution (20.0 FTE) was established to ensure capacity for RIF in the face of unknown, pending budget reductions. In response to a question concerning the District’s ending fund balance, Teresa gave an overview of the components of the district’s ending fund balance, explaining that 6% is required by Board policy and the remaining funds are encumbered for specific expenditures. Teresa stressed that the district has no intent to reduce by 20 teachers at this time. Jim Gadberry clarified that the resolution is a procedural piece that must be done to comply with state law. Ron Dinius moved, seconded by Elaine Pfeifer, to approve Resolution 2010-11-12 regarding reduction in force. The motion carried unanimously.

B. Contract Approval
Blaine Peterson noted that the contract for incoming superintendent Dawn Tarzian was not approved at the last meeting. Changes made from the original contract include the approval date of April 26, 2011 and the first pay date of July 31. Ron Dinius moved to approve the contract as revised. Elaine Pfeifer seconded and the motion carried unanimously.

The board will discuss EL 14 at the next regular meeting, when Rebecca Miner can be present.
