

Washougal High School

Panther of the Month

January 2021

The Panther of the Month award is given to students who consistently display the pillars of PRIDE.

Wyatt Sims, Class of 2021

Wyatt has made my job as a teacher enjoyable. He participates in class and documents his labs. I enjoy reading about his lab work and learning more about him through these experiences. He is a fine young man and I am impressed with his work ethic and core values.
