

COVID-19 RELATED SCHOOL SPENDING

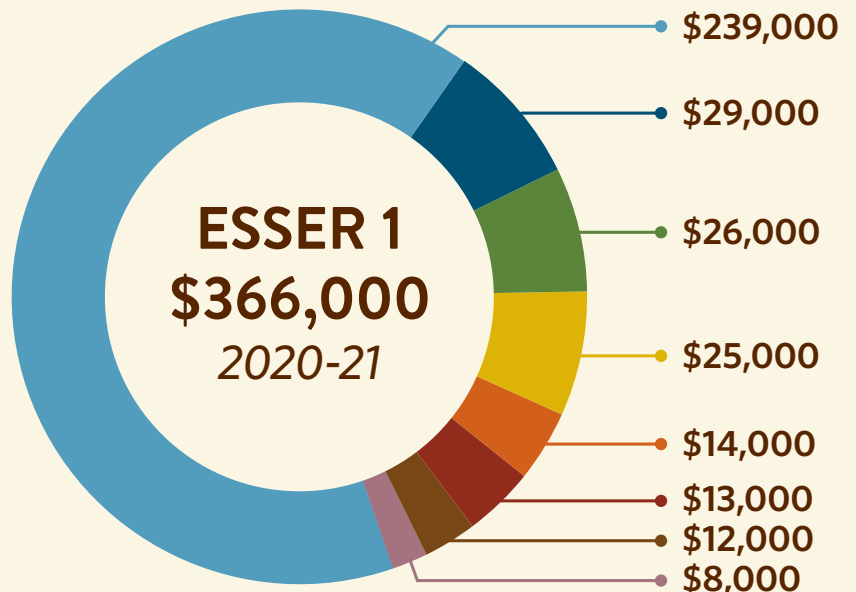

(How we used our federal ESSER funding)

WHAT WAS ESSER?

The Elementary & Secondary School Emergency Relief (ESSER) fund was authorized by the American Rescue Plan Act to address costs incurred by schools as a result of mandates and other pandemic-related expenses.

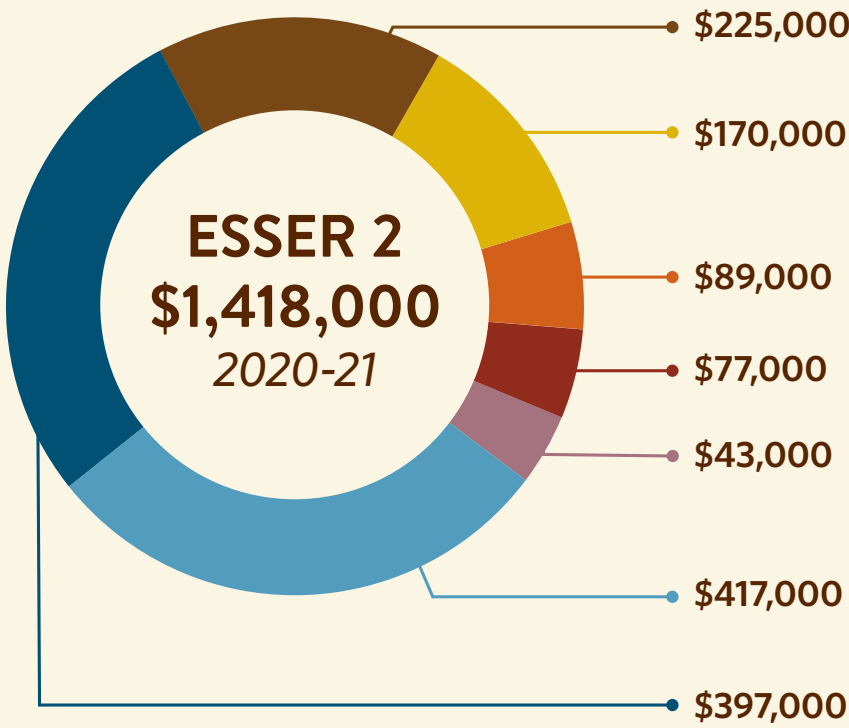

There were three waves of funding: ESSER I and II were both spent in the 2020-21 school year. ESSER III has been fully budgeted into the 2021-22 school year. ESSER funding was restricted for specific expenses related to the impact of the pandemic. These expenses included technology, food service and health measures, as well as social-emotional supports for students and efforts to address learning loss, such as smaller class sizes and summer school.

- Continuation of staffing levels, operations, and equipment - \$239,000
- Personal protective equipment (PPE) and signage - \$29,000
- Technology Hotspots for student connectivity for remote learning - \$26,000
