<p>Develop and administer an ongoing effective evaluation system designed to:</p> <ul style="list-style-type: none"> a. Measure performance of specific job descriptions, assigned duties and professional goals b. Document distinguished performance c. Document and address unsatisfactory performance through the evaluation process and personnel actions d. Provide professional development for our supervisors to enhance their skills in evaluating and documenting employee performance, instruction and growth in student learning when applicable e. Measure performance in alignment with the vision and goals of WSD 	<ul style="list-style-type: none"> ● The CEL 5D+ instructional framework provides the basis for professional goals and evaluation for the majority of our certificated staff. The certificated evaluation is a four-tier rating system that allows for the recognition and documentation of distinguished performance. We provide professional development for our supervisors to enhance their skills in evaluating and documenting employee performance. The focus of the CEL 5D+ instructional framework is high-functioning instruction to support high levels of learning for all students. Our evaluation system includes student growth goals that require teachers to measure student learning in an objective process, and thereby adjust their instruction. ● The District and PSE are in the process of revising the classified evaluation tool. Currently the evaluation tool is a four-tier rating system. The classified evaluation tool has 8 criteria. 		X		

	<ul style="list-style-type: none"> ● Our building administrators are evaluated using the state approved AWSP Leadership Framework which is designed to promote the growth of the school leader in areas most likely to result in increased student achievement. It directly aligns with Washington state evaluation criteria, rules, and regulations. We provide professional development for our supervisors to enhance their skills in evaluating and documenting building administrator performance. 				
<p>Develop and implement an ongoing training system:</p> <p>a. Maintain an induction program for new employees</p> <p>b. Provide on-going district-directed professional development</p> <p>c. Provide for the development of supervisory evaluation skills and procedures</p>	<ul style="list-style-type: none"> ● Professional Development for New Teachers: We provided one day of orientation and professional development for our new teachers in August 2023. Through the use of state funding, we employ a teacher mentor on a part-time basis. The mentor plans professional development to meet the needs of teachers new to the profession and/or new to our district. The professional development opportunities are offered throughout the school year. This person visits the new teachers, one-on-one to find out what they need and provide just-in-time support to them. New teachers also participated in TPEP training during the first few months of the school year. ● Professional Development for Teachers: Through the office of Teaching and Learning, the 2023-24 professional development plan was developed. This year’s theme was on creating a strong sense of belonging to positively support student academic and positive behavior growth. The certificated staff participated in four days of paid professional development in August. Topics included the following: <ul style="list-style-type: none"> ○ Critical Classroom Features - Tier I ○ Professional Learning Communities (PLC) training (certificated) ○ Crisis Prevention Institute (CPI) - Tier I ○ Qmlativ (new version of Skyward) ○ UKERU - Trauma informed care framework ○ Mandatory policy training ● Professional Development for Building Administrators: New administrators received training with CEL 5D+ framework and the use of the eVAL tool to collect observation notes and evidence to enhance their observation and feedback skills. ● Professional Development for Classified: The classified staff participated in either 1 day or 2 days of paid professional development in August depending on their position type. The topics were similar to the certificated staff training and in many cases classified staff were learning alongside certificated staff. 		X
