

## Washougal High School (Needed Essential) 2024-2025

General Supplies for WHS School Students - Some supplies are necessary year after year, no matter what grade you're in. Some teachers may share additional special equipment needed for their students, which will happen on the first day of classes.

When you're planning for a new school year, it's pretty safe to invest in the following items:

- Backpack
- Binder(s) for each class or a larger binder for all classes
- Pencils and Eraser(s)
- Pen/Pencil Pouch
- Highlighters
- Colored Pencils/Pens for focused note taking, annotating
- Pens
- Composition or spiral notebook (required) for each class
- 1 box of facial tissue (leave in your first period class)
- Scientific Calculator (Math and Science classes)
  - TI-30sx multiview is the best non-graphing calculator approximately \$20. Chromebooks have access to online graphing tools.
  - For students in pre-Calc and above, please check with your math teacher to learn about calculator options.
